

Speaking Profile

Art Drentlau

Art Drentlau is an author, entrepreneur, Navy veteran and well-read student of numerous authors on psychology, physics, physiology, spirituality, freedom and personal responsibility. Drentlau received numerous awards as a top national fundraiser for an Ohio based environmental non-profit foundation.

Drentlau is a long-time member of the Boy Scouts of America and as an Eagle Scout holds their exclusive “Vigil Member of the Order of the Arrow” award. Art is a third generation military veteran. He served during the Vietnam Era as a SERE instructor for

the Navy. Trained as an interrogation specialist, he ran simulated POW Camp training exercises for soldiers who were being deployed to combat service in Vietnam.

Art is an impassioned speaker who motivates his audiences on the interrelationship of personal responsibility and freedom.

Drentlau is a co-founder of Gravitation Energy Corporation, a company who is providing patent pending green technology products to bring clean drinking water to Third World countries.

Drentlau was so motivated after attending a Dr. Wayne Dyer presentation, that he formed a group of four Unity Churches in Northeast Ohio to promote Wayne Dyer in that region in the 1990's. Drentlau has taken the microphone as master of ceremonies for events attended by thousands of attendees for Dr. Wayne Dyer events. Art is a captivating speaker who knows how to speak to the heart.

Drentlau is currently finishing two books, the first is titled "Freedom & Personal Responsibility / Immutable Law", and the second is titled "Your Ultimate Destiny".
